15) The question of continuing the Courts of Hon'y Magistrates in Hassan, Chikkamagalur, Shimoga & Tumkur has to be considered. These courts were established as an experimental measure temporarily for a period. In Hassan, the Bench Court started work on 2.8.15, in Chikkamagalur on 1.7.15, at Shimoga on 17.7.1915. The details on which the Tumkur Court started its work is not ~~given~~ stated in the D.C.'s letter. All the D.C.'s except that of Hassan are of opinion that the work turned out is satisfactory and that the courts may be made permanent. The D.C. of Hassan is for continuing it for another period of 3 years. In any case there are no grounds for abolishing the Courts. It is a point for order whether the courts may be continued for another period of 3 years or may be made permanent.

16) Except the D.C. of Hassan, the others have not offered any opinion as to the gentlemen whom they would recommend for reappointment or fresh appointment as Magistrates in case the

Sir,

Adverting to Government Order No.J.1177-88/Cts 06-12-8 dated the 4th November 1914 sanctioning the constitution of the court of Honorary Bench Magistrates' at Shimoga as an experimental measure for three years, I have the honour to state that the court was formally started at Shimoga from 17th July 1915 and since then the court has dealt with 240 Regular and three Miscellaneous cases as particularised in the margin.

It may thus be seen that the existence of a court of this nature has relieved the pressure and saved the time of the Amildar Magistrates court at the District Head-Quarters so that the latter officer had a better opportunity to attend to works of a more important nature than that of trying petty cases.

It has also been proved to be beneficial in the interest of sanitation of the town like Shimoga and these petty cases are being meeted out with timely punishment without inconveniencing the concerning parties.

In view of these facilities to the town and in consideration of the disposal of these cases, I am of opinion that a permanent institution of the kind is desirable in a place like Shimoga.

I therefore recommend the institution with its present establishment may be made permanent as in Bangalore and Mysore.

Office of the Deputy Commissioner,

From

C. Venkata Rao, Esquire, B.A.,

District Magistrate, Hassan.

To

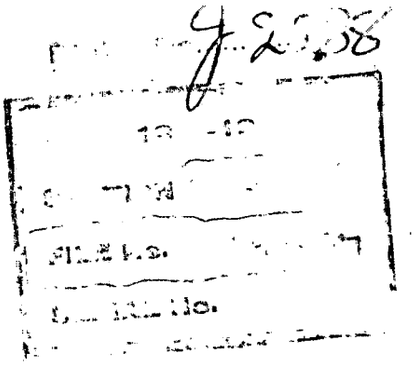
C. S. Balasundaram Iyer, Esquire, B.A.,

Chief Secretary to the Government of

His Highness the Maharaja of Mysore,

Bangalore.



Sir,

Referring to your letter No. J.3936 dated 25th March 1918 regarding the work of Bench Magistrates in this District, I have the honor to state as follows :-

The constitution of Benches of Honorary Magistrates in this Town was sanctioned in Givernment Proceedings No. J. 1177-88/ Dis. 306-12-20 dated 4th November 1914, for a period of three years and the marginally noted gentlemen appointed as Special Magistrates as per Government Notification No. J.4011/Cts. 151-14-9 dated 21st May 1915.

1. Mr. Mahamad Raza, Retired Assistant Commissioner.
2. " H. Muddappa, Retired Assistant Conservator of Forests.
3. " H. Mahalinganna, Retired District Treasurer.
4. " Doddapayanna, Sowcar and Municipal Councillor.
5. " B. Alasingra Char, Contractor & Municipal -Do-
6. " Krishnasetty, Land Owner and -Do-

The Bench Court started work on 2nd August 1915, and the Special Magistrate were delegated the powers of taking cognizance of cases arising within the Hassan Town Municipal limits, falling under sections 160,277,279,290,323,341,352,355,358,426 - 447,448,504 and 510 Indian Penal Code and offences under the Mysore Municipal Regulation and the Mysore Police Regulation, Cattle Trespass Act and the Mysore Vaccination Regulation.

They were also empowered to take up and dispose of such cases arising in the Hassan Taluk as may be referred to them by the District Magistrate.

From the enclosed statement, it will be seen that 33 cases were disposed of in 1915-16, 156 in 1916-17 and 68 cases

up

up to the end of January 1917-18 by the Bench Magistracy. The work turned out is thus satisfactory and the system has greatly relieved the judicial Officers at Head Quarters whose work has considerably increased of late.

Under these circumstances, I recommend the continuance of the system for a further period of three years.

In consideration of the general interest, evinced by the present Magistrates, they may be retained during the further period now recommended.
